A MESSAGE FROM YOUR RECREATIONAL PROGRAM DIRECTOR!

HAPPY RECITAL DANCERS, FAMILIES, AND LOVED ONES! I want to extend my sincerest gratitude to all of you being a part of the All About Dance community! Seeing your dancers' confidence shine and passion for dance grow this year has been beautiful beyond words. They have worked so hard this session and we are so excited for them to take the stage! We can't wait to continue to grow with all of your dancers in the years to come!! To our amazing Recreational Teachers and Front of House Staff- Thank you for your patience, passion, and love! From greeting dancers and families at the door with a smile and fitting little ones for their first ballet shoes, to sharing your love of dance in the classroom and inspiring dancers of all ages- I am eternally grateful for each and every one of you! Thank you for another incredible year!
Love, Tori

A MESSAGE FROM OUR FOUNDER, JESSICA!

In 2005 I founded All About Dance with the dream of creating a safe place where all are welcome to explore their passion for dance. Over the past 17 years, I've had the honor to work alongside the most incredible humans as part of our staff family who've extended that vision into what the studio is today. Together we've trained so many dancers and navigated unimaginable obstacles. The All About Dance and Dance Forever community has always stayed constant in being an endless source of positive energy, always impacting lives for the better - one dance step at a time.

Lots of love,
Jessica

BIG THANKS TO!

To my Team: From the bottom of my heart, thank you to each and every one of you for supporting the vision of All About Dance and Dance Forever. Your collective strength and talent are unmatched and it is because of you this studio is as special of a place as it is.

Front of House: Thank you for always going above and beyond to support our teachers, students, and families. You make us all feel welcome, organized, and safe and the studio is better because of you.

Teachers: Every year, I grow more and more in awe of the talent, creativity, and passion you bring to your classes, your students, and each other. I am so proud of the role models you are, leveraging your inventive choreography and commitment to curriculum to make a difference in so many people's lives, mine included.

Directors: Thank you for bringing such thoughtful leadership to all aspects of the studio. Every year you work tirelessly to deliver on promises and continue to raise the bar, making this studio the place it is today and creating opportunities that are so meaningful to all of our students.

To our AAD families: Thank you for sharing your children with us. They give us purpose and teach us as much as we hope we are teaching them. We love and appreciate all of you and will be forever grateful for your support, love, and loyalty to All About Dance and Dance Forever.

To the Kids: We are so grateful for the joy each and every one of you brings to the studio. It is your individuality, curiosity, and light that drives us to create an experience that we hope will make a positive impact on your lives forever. Thank you for all you give to our community and we hope you will always remember to Have Fun, Be Young & Dance Forever!!!

To my family: Thank you Scott for your unwavering support, unconditional love, and unparalleled partnership. To my girls, Juliette and Gabriella, I am so proud to be your mom and so grateful dance has had the impact it has in creating such self-assured little girls. Thank you for sharing me with this community I love so much.

Here's to a great show!
Lots of love,
Jessica
