### ANNUAL REGISTRATION FEES

\$35 per student

### OUR POLICIES:

Our tuition is billed month-to-month. The first month's payment is due upon registration. Each additional month, your tuition is auto-billed to your credit card for the upcoming service. Aqua-Tots requires an annual registration fee; please refer to Aqua-Tots for pricing details. All monthly fees paid are non-refundable. Enrolment is ongoing; we require a signed 30-day Cancellation Notice to be completed and turned in to the front desk to end classes. Please refer to Aqua-Tots for complete policies.

## Can I watch my child's swim lesson?

Of course! You must stay on premises while your child is at Aqua-Tots. We encourage you to enjoy our parents' lounge area. We have found that our students tend to be most confident when they are solely focused on their swim class.

### How many days per week do you recommend for a child to develop strong skills?

Short-time, long-term lessons result in retention and mastery of skills. Our swimmers accelerate because our curriculum is cohesive, linking one skill to the next and building upon their success. **Moreover, half-hour lessons, scheduled 2-3 days per week is just right for success.** We would be happy to schedule your child's lessons at convenient times that work best for you.

### What happens if my child misses a lesson?

Please call prior to your child's scheduled lesson to let us know your child won't be attending class and we will gladly reschedule that class as a make-up lesson. For more information about our Make-Up Policy, please refer to our Aqua-Tots Customer Policies and Procedures.

### How quickly will my child learn to swim?

There are many factors to consider with your child learning how to swim: comfort in the water, physical strength and coordination, ability to focus, maturity, interest, and motivation. Therefore, each child learns how to swim at a unique pace. **We recommend 2-3 lessons per week plus outside-of-class practice for the best swim progression.** View your child's Aqua-Card for his/her skills and progression. Let us know if you have any questions.
